John and Richard -  
I am attaching an agenda for a meeting request with RD on behalf of Reckitt Benckiser. We are hoping to secure the meeting for Thursday October 28, 2010 - anytime of day. I think we would need a 1.5 hour time slot (45 minutes with each team) so we have time with both PMs and their team to discuss the agenda items. An alternate date could be Wednesday, October 27th - also flexible with regard to time.

Please let me know as soon as possible if this meeting date will work.
